

*St. Augustine High School*  
***Geometry***  
*Mrs. A. Campbell/Room C 117*

August 21, 2007

Dear Parents and Guardians,

Welcome back to school! As another year begins, I am very excited to join the St. Augustine High School teaching team and introduce myself as your son/daughter(s) Geometry teacher. My name is Mrs. Alexandra Campbell, and it is with great pleasure that I take on the challenge of teaching your son/daughter in hopes of preparing him/her for the greater challenge that college will bring. Being a graduate of St. Augustine High School, I know and understand the importance of Catholic education and family values. Should your son/daughter need additional help in the subject, I am available for additional help after school by appointment from 3:30 – 4:30. I will also be available for private tutoring. My goal is to help your son/daughter do their best. Thank you and I look forward to working with you and your son/daughter this year. If you have any questions, please feel free to contact me at (956) 724-8131.

Respectfully Yours,  
Mrs. Alexandra Campbell  
Geometry Teacher
