

St. Augustine High School
Social Studies Department

August 15, 2007

Dear Parents & Guardians,

Welcome back to a new school year. We are pleased to be a part of the St. Augustine teaching family. I have been teaching Government and Economics for nine years at St. Augustine High School. I am looking forward to teaching this group of seniors. I will also teach a class of Eighth Grade American History. Besides my experience in teaching these subjects, I have professional teaching hours for Advanced Placement in Government.

This year is a critical year for 12th graders since they have to prepare themselves for college. Continuing with their academic education, we are requesting for seniors who will be taking Government to bring \$6.00 to their Government teacher so that we can purchase their Constitution Study Guide that is used in class. This study guide is theirs to keep.

Thank you for your prompt attention to this matter. If you have any questions or concerns please call (956) 724-8131.

Sincerely,
Lizette Gutierrez
Government Teacher.
