

Dear Parents,

My name is Ana R. Longoria-Lepe and this year I will be your child's Senior English teacher. I plan to challenge your child's intellect in Grammar, Literature, and Writing. I have taught for 9 years in a public school setting for UISD and am excited to be here at St. Augustine. Believing in a Catholic education, I feel as though my transfer from the public school system to the private sector is a blessing and my commitment to your child's education is genuine. I ensure that he/she will be adequately prepared for University level English courses upon completion of this school year. With your help I know that your child will meet all of his/her goals and together we can have a positive impact on your child's education. I look forward to a productive school year and thank you in advance for your support.

Sincerely,

Ana R. Longoria-Lepe
