Mission

Rooted in tradition and open to the spirit of the 21st century, the administration, faculty, and staff of the Diocese of Laredo Catholic Schools will work in solidarity under the leadership of the Diocesan School Office to form a unified and collegial system of Catholic liberal arts and humanities programs and curricula dedicated to the call for a New Evangelization and the continuous integral Christian education and formation of young people. We will assist our students and all persons associated with our schools to realize and achieve their full human potential in the image and likeness of God.

About St. Augustine High School

St. Augustine School is a college preparatory Catholic school in the Diocese of Laredo that serves students in grades 9 through 12. The curriculum emphasizes academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers and the school community. Theology taught at the school complies with Vatican II and the United States Catholic Council of Bishops (USCCB). United with each other in meaningful liturgy and prayer, the students can further deepen their understanding of the Christian life. At St. Augustine, we strive to "teach as Jesus did." The curriculum followed for the teaching of all secular subject areas is consistent with the State of Texas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. The school strives to offer a program, that makes use of many sources of reading material, a wide variety of audio-visual and technological applications and a multi-text approach to the content areas.

St. Augustine School History

St. Augustine High School is a co-educational Catholic high school that serves students in grades 9-12. St. Augustine High School is committed to promoting the highest academic standards and establishing a foundation of Catholic values and traditions. It is fully accredited by the Texas Catholic Conference Education Department as approved by the Texas Education Agency.

The original St. Augustine campus was located in downtown Laredo next to present Cathedral of San Augustin. Founded in 1927 by the Oblates and staffed by the Sisters of Divine Providence, the school flourished for many years at this location. Then in the mid 1970s, with the closings of both Ursuline Academy (a Catholic girl's school) and St. Joseph's Academy (a Catholic boy's school), the idea of relocation was pursued. The community joined together to purchase the Ursuline Academy campus, and in 1976 St. Augustine High School was relocated to its present location at 1300 Galveston.

Operated for the next eleven years by the Laredo Catholic Consolidated, Inc., a non-profit corporation, St. Augustine School became part of the Diocese of Corpus Christi in 1987. Then in July 2000, with the formation of the Diocese of the Laredo, St. Augustine School became part of the Diocese of Laredo.

St. Augustine High School's mission challenges each student to achieve academic excellence, to embrace Catholic values and traditions, and to make a difference in the world. In its 90 years of service to Laredo and Nuevo Laredo, it has instilled this concept of excellence in over 4000 graduates. The school takes pride in the fact that 100% of the senior class annually applies, is accepted, and attends colleges and universities throughout Texas, the United States, and Mexico.

St. Augustine High School remains, to date, the only Catholic high school in the Diocese of Laredo.

Today, St. Augustine High School is staffed and administered by both lay and religious faculty. The school continues to base its education on a tradition of academic excellence and Catholic principles, continuing the tradition founded in the history of St. Augustine School, St. Joseph's Academy and Ursuline Academy. St. Augustine High School will continue to promote the tradition of educating and forming the whole person-mind, body and spirit.

As per *Texas Law*, a student that has **8 or more** absences (excused or unexcused) in a semester course and/or **16 or more** absences (excused or unexcused) in a full year course, will need to recover the credit in summer school.

An Appeals Committee, appointed by the principal, will review all documentation and will decide as to whether or not to grant the credit(s). Documentation may include medical excuses, and/or parent's notes. Absences over the number allowed by the state, will have to be made up. If absences are over 15 per semester or 25 per year the credit may be recovered only through summer school attendance. **Note:** In the case of Seniors, diplomas will not be issued.

D. Excessive Absences

Students must be present for 165 of 180 instructional days. Students may not be

absent more than 5 days in a grading period per 9-week quarter.

Excessive absences may result in loss of credit. Students may be asked to withdraw due to excessive absences.

In the case of excessive absences due to severe illness, the principal will consider the extenuating circumstances on an individual basis.

E. Holiday Absences

Parents are expected to adhere to the holiday schedule. Therefore, students absent on the day before or after a holiday will receive a **double unexcused absence**, which means two zeros and two absences in each class they missed. **Exceptions to this policy will be extremely rare and at the discretion of the principal.**

F. Truancy

Truancy constitutes an absence from class, from a disciplinary action, or from a school-related event without the consent of St. Augustine School and the student's parent/guardian.

Cases of truancy **will** be subject to a conference attended by the student, his/her parent/guardian, and school administrator. The consequence for truancy is suspension or expulsion.

G. Non-School Related Activities

As a matter of policy, St. Augustine School discourages parents/guardians from removing their children from classes to attend off-campus trips. The absence from class may affect the student's educational growth. St. Augustine School also recognizes the parent's/guardian's right to make their own decision regarding the best interests of their children.

Parents/Guardians who remove a

student from classes are required to acknowledge the above policy by writing a letter detailing the off campus trip.

Each off-campus case will be dealt with individually by the administration to determine if and how missed work may be made up, and to review how the off-campus absences will affect the academic status of the student.

H. College Visits

Seniors are allowed four excused absences for college visits. Proof of the college visit and permission from the Principal must be obtained **at least a week in advance of the visit**. Failure to do so will result in an **unexcused absence(s)**. **Additionally documentation of the college visit must be presented upon return to school.**

I. Tardy to Class

A student arriving after 8:10 AM must report immediately to class and report to detention at lunch. Every first period tardy will require detention – no exceptions! Please do not schedule medical/dental appointments at first period.

A student 20 minutes late for any class is considered absent for that class unless an excused admittance slip is secured.

J. Make-Up Tests/Work

The following guidelines apply:

- **If a student has an excused absence** any work assigned on the day of the absence must be turned in on the second school day upon the student's return.
- Exams/Quizzes/Tests assigned **on the day of a student's absence** must be taken on the second school day upon the student's return.

- Work due **the day of the excused absence** must be turned in upon the student's return to school.
- **If a student was absent because of a co-curricular activity (representing the school)** the work assigned on that day should be turned in on the third school day upon the student's return and this work will be accepted at full credit.
- Exams/ Quizzes/ Tests assigned **prior to the student's absence** must be taken on the day the student returns. They should be taken during the respective class time or after school.
- In addition, **assigned work must be turned in before departure from school** by students who will be out part of the day representing the school.

K. Medical /Dental Appointments

The parent/guardian must sign out students who need to leave the campus for medical/dental appointments during school hours. If the student is going to return to the campus after the appointment, a parent must sign him/her back in.

L. Class Retreats/Field Trips

Class retreats are a time for reflection, meditation, and an opportunity for students to strengthen their relationship with God and others.

The purpose of a field trip is to enrich and foster knowledge of the community and is encouraged if they are an integral part of the development of the subject. These activities are well planned and should be viewed as class outside of the classroom and not as a day of play.

To be allowed to go on a field trip/class retreat, students must turn in the Diocese of Laredo permission form (two sided) which includes the **parent/guardian signature**.

VII. Discipline Code

To ensure a mature Christian atmosphere that is conducive to the academic process and to provide a system of justice, St. Augustine High School establishes the following structure for order and discipline.

A. Parental Cooperation

Parents are expected to support and comply with all policies of St. Augustine High School. Parental cooperation is essential for the success of the students. Under normal circumstances, a student should not be deprived of a Catholic education on grounds relating to the attitude/actions of their parents. Nevertheless, a situation may arise in which the uncooperative or destructive attitude of parents so diminishes the effectiveness of the school that the family may be asked to withdraw from the school.

In addition, families that actively participate in the sponsoring of parties for minors where alcohol is served will be asked to withdraw from the school.

The purpose of this procedure is to reach a resolution at the lowest possible administrative level and to provide equitable solutions to grievances in a spirit of justice and charity.

Prior to the initiation of a formal procedure, parents who seek redress for their child(ren) in matters of policy, regulation, or discipline must first confer directly (either face-to-face or by telephone), with the teacher, staff member, or administrator complained against, for resolution of the situation. If there is not a satisfactory resolution of the

complaint, the following are steps in the formal grievance procedure:

- A written statement of the complaint is presented to the Principal.
- The Principal will set a date for hearing the aggrieved party and provide a minimum of 48 hour notice. The parents or guardians shall file student grievances, and at the hearing both student and parent or guardian will be present. The Principal/member(s) of the administrative team will provide a written response and decision within three (3) days after the hearing.
- If the aggrieved party is not satisfied with the decision of the Principal/Administrative Team and depending on the nature of the appeal, notification of intent to move to the third step shall be in writing to the school Grievance Committee. The Committee will review the grievance and, if deemed necessary, will hear any further details related to the case within seven (7) days. The Committee renders its decision within ten (10) days of its receipt of notification.
- If the aggrieved party is still not satisfied with the decision of the Grievance Committee, an appeal may be made to the Superintendent within three (3) days of the decision of the Grievance Committee. The Superintendent will review all documentation of the grievance procedure and set a date for hearing the grievance with all parties of the initial grievance in

F. Emblem

The mascot of the school is a knight, which is found on the emblem.

The students at the school refer to themselves as the St. Augustine Knights. This is most appropriate, since just as in days gone by, a knight would place his sword and shield at the foot of the altar of his eternal king and pray for strength and courage, so too we do to live as good Christian. The knight's sword is symbolic of prayer and the sacraments, and our shield is symbolic of faith and good works. **Note: The Diocese of Laredo and St. Augustine School owns the school's name and administration has the right to restrict its use. St. Augustine School prohibits the unauthorized use of the name of the school and its logos on blogs, letters, the internet, t-shirts, invitations and other forms of communication.**

G. Lockers

When a locker is assigned to a student, then he/she is required to purchase a lock for his/her locker. It is the student's responsibility to make sure that his/her locker is secured at all times. St. Augustine School shall not be held liable for lost or damaged articles in lockers. Lockers are the property of the school, and the administration reserves the right to inspect lockers at any time. Items should NOT be kept in unlocked lockers. A student

may use only the locker assigned. The sharing of lockers is not permitted.

H. Pregnancy

In keeping with the Church's stance, St. Augustine School supports a pro-life philosophy. In this regard, the school does not condone abortion. Should a student become pregnant while enrolled, every effort will be made to preserve human life and to protect the dignity of all involved.

Administration may ask the pregnant student, mother and/or the father, not to attend regular classes. Home schooling may be an option. In cases where the student remains a student of St. Augustine High School, there may be an additional charge to compensate teachers who have to do additional work. In extreme cases, the students involved may be asked to withdraw. Each case will be handled on an individual basis by administration.

I. Cars and Parking

Students who want to park in the student parking area must complete an application and pay a fee for this privilege. The application requires a valid copy of the drivers' license, registration, auto insurance policy, and a parent consent letter in order to receive a parking permit. Applications for parking permits are available in the front office. **Cars not displaying the current year parking permit will be subject to towing at the owner's expense.** Any abuse of the car/parking privilege, such as remaining in the car after arrival on campus, going to the car at any point during the school day, driving recklessly, or diving off campus before dismissal, is a violation of the car permit policy. Offenders will no longer have permission to park on school

grounds. Parking at St. Augustine High School is at the students' own risk. The school is not responsible for items left in cars, vandalism, and/or theft.

Parking is on a first-come first-serve basis.

Overflow of cars from the high school parking lot will have to park on the street. However, parking in private driveways and teachers' parking spaces is prohibited and will result in loss of car/driving privileges and such cars will be towed at the owner's expense.

NOTE: Cars, parked on Guerrero Street, are considered to be in traffic violation and are subject to a traffic ticket and/or being towed. Cars blocking drive ways, mailboxes, and trash pickup is a city violation and subject to ticketing and towing by the city. Administration strongly encourages students to park in the parking lot – as it is more secure, avoiding safety issues if parked on the streets.

J. Lost and Found

If an article is lost, the student should check the Lost and Found Area in the Front Office. Items placed in the Lost and Found remain there for 30 days. After 30 days, items are donated to charity or may be sold to other students at a considerable discount.

IX. Safety and Emergency Evacuation Procedures

St. Augustine High School will make every effort to ensure the safety of its' students.

A. Fire Alarm and/or Bomb Threat

1. A fire drill is an extremely serious matter. Students who do not follow directions will be referred to administration for proper action, such as expulsion.
2. All students are expected to know the fire exit route from any classroom or area where they are. They should be familiar with all exits by the first week of each semester. Directions indicating the route to be used are posted in each classroom.
3. Silence must be observed from the time that the fire alarm rings until all students are at their standby stations in order to hear directions.
4. At the sound of the fire alarm, all should at once begin to file out.
5. The student closest to the door is to see that it remains open or held while students exit the room. The last person out of the room closes the door.
6. The pace for the fire drill is a fast walk. Leaders need to set the pace. Each fire drill is timed.

Note: Pulling a fire alarm or fire extinguisher (intentionally) is punishable by law and or expulsion.

C. Emergency/Safety Alerts/Lock Down

In the event of an emergency, the school can be the safest place for students. A

disaster plan is in place should such a disaster occur. School authorities will provide information through local radio/TV stations/email/text/student cell phones. Lock Down will be announced on PA System – teachers & students know the safety plan per room.

D. Illness at School

A student who becomes ill or injured at school should inform his/her immediate teacher, who will refer him/her to the office. **If the school official determines that the student is not well enough to attend class, a parent/guardian will be notified, and the student will be released into the care of the parent/guardian.**

Students who do not report to the office when ill will not be excused for their absence and are subject to disciplinary action.

If any injury requires immediate medical attention, the school office will notify the Health Coordinator for treatment. Parents/guardians will be contacted as soon as possible.

E. Medication

If a student must take a medication in school prescribed by a doctor, that medication must be sent to the Health Coordinator Office in the container received from the pharmacy and must have on its label the following information:

- a. student's name
- b. name of doctor prescribing the child's medication
- c. frequency
- d. dose
- e. date

All non-prescription medication (cough drops, lip balm, etc.) should be taken to

the Health Coordinator with the following information:

- student's name
- frequency
- dose
- date

X. Student Services

A. Cafeteria

Cafeteria services are available to students in the student center on most school days (these services are not available on half-days and during other special events).

Students are allowed to buy food only during their scheduled lunchtime, and students may not eat in the classrooms (except as allowed by teachers or special occasions related to instruction). Students attempting to buy food at other times will receive disciplinary sanctions. Students are required to maintain cleanliness in the cafeteria.

Parents are advised that students may bring a sack lunch from home, but they may not have food delivered to campus, nor may they bring sodas to school in the lunch box.

B. Campus Ministry

St. Augustine School's campus ministry program seeks to enhance the spiritual development of the school community and the faith life of each student by offering sacramental celebrations, class retreats, and service projects. Service is a key component of our Catholic identity and the mission of our church. In addition, building the faith community of the school is incumbent

on all: administration, faculty, staff, students, and parents. Consequently, Campus Ministry plays a pivotal role in our school and its outreach.

C. Academic Counseling

The Counselor assists students and their parents in students' educational plans while at St. Augustine School.

This includes administering standardized testing programs, overseeing academic probation, keeping academic records, and assisting students and their parents in special academic needs.

The high school Counselor also assists students in their post-secondary education and career planning. This office is the center for college, career, and vocational information. The following materials are accessible and available to students: college handbooks, catalogues, videos, resume assistance, financial aid and scholarship information, SAT/ACT guides and applications, summer programs for off-campus studies and job opportunities. College representatives and alumni of the school are invited to share information with seniors and juniors.

College application weeks are held in September in the Senior year – with senior team teachers assisting.

D. Library

The library is available for use by all St. Augustine High School students. Books may be borrowed following standard library procedures. Borrowed books, including electronic books, must be returned by the due date to avoid an overdue fine. A lost book must be reported at once to avoid extra fines. Reference materials and periodical literature may not be taken out of the library. Compact discs, videocassettes, recorders, and other types of on-line subscriptions and media

software are also available in the library. ProQuest may be accessed for research purposes at the library, in the classroom, or at home.

XI. Extra-Curricular Activities

St. Augustine High School encourages students to be involved in extra-curricular activities when time, abilities, and interests allow. Although St. Augustine School believes in developing the whole person, a higher priority must be on academics over co-curricular activities.

Participation by students in co and extra-curricular activities is a privilege and not a right. A student who wishes to participate in any co-curricular activity outside of the normal school day, must be eligible. If a student has an average below 70% in two or more subjects after the 1st, 2nd, or 3rd quarter, he/she will be immediately placed on the ineligible list for participation in co-curricular activities. Any student that is on the ineligible list may not participate in any related activities. Two weeks after the issuance of report cards, a progress report for the ineligible students will be reviewed. Those students who have raised their average to 70% or above in those courses failed at the quarter will then be eligible for participation.

A. Student Council

The Student Council is responsible for organizing activities, which build school pride, spirit, and unity. The Student

Council along with its sponsors acts as the voice of the student body and provides a channel through which ideas from students can be expressed. Leadership, cooperation, creativity, learning, and other life skills can be acquired through participation in this organization.

B. National Honor Society

Membership in the National Honor Society (NHS) is a prestigious honor for both the student and St. Augustine School.

Membership is not a right but a privilege bestowed on deserving students.

NHS is a nation-wide society that recognizes students who exemplify the following characteristics: character, service, leadership, and scholarship. Students are inducted into the NHS twice a year. Students must first have a 91% or above GPA (average) to be eligible for membership. Those students who meet this first requirement then receive an application. The Faculty Council, made up of 5-7 faculty members appointed by the Principal, reviews these applications and then selects those students eligible for induction.

Students inducted into NHS, retain their membership for life becoming inactive members once they are no longer in school; however, while active members of the organization, they must maintain the standards established by the national offices of the organization or appear before the Faculty Council who will determine their future membership status.

XII. Athletics

A. Rules and Regulations

The rules, regulations, and standards are set forth in this handbook for student athletes and designed to give each athlete a sense of pride and responsibility through membership in the athletic program whether they are on the court/fields of play, in the classroom, in our community or visiting another school/city. Therefore, the athlete will:

1. Strive for excellence in all of his/her activities at all times while a member of the program.
2. Abide by practice schedules and complete workouts each day.
3. Personally notify the coach when they cannot attend practice (and will miss practice only under extreme circumstances).
4. Be responsible for the proper care of his or her practice and game clothing.
5. Abide by the coaches' instructions, directions, and decisions.

During the athletic period or after school practice, an athlete:

1. Must notify the coach if he/she must miss a practice session. This is a responsibility of the athlete or his/her parents, not a friend. Very few reasons for absence will be acceptable to the coaches. Failure to report your absence or excessive tardiness may result in dismissal from the team.
2. Will not be tardy; tardiness to the athletic period is inexcusable.
3. Will not engage in roughhousing, towel popping, or any other harmful or threatening acts.
4. Will not engage in any form of hazing/bullying.

During team travel, an athlete will:

1. Travel to and from all contests with the team. The coach may approve an athlete returning home with his/her own parents only. Athletes will not be released to other parents.
2. Dress neatly and properly on all trips. Coaches will specify attire.

3. Conduct him/her self properly on the school bus or in any school vehicle.
4. Conduct him/her self properly while eating in a restaurant with the team/at another campus.
5. Be informed of departure and approximate return time for each trip by the coach. It is the athlete's responsibility to be on time for all departures and to inform parents of the time to be picked up after the contest.
6. Dress for all home and away contests in accordance with the school and team policies.
7. Attend a full day of school the day after a contest. Violation of this rule may result in suspension from the team.

B. Dropping a Sport

There will be times when some athletes find it necessary to quit playing a sport during or after the season. Reasons for such decisions will vary widely, but for whatever reason the decision is made; the following procedures should be followed

in order to drop a sport:

1. Think the whole situation through before reaching the decision.
2. Talk to the coach to see if a solution can be reached without having to quit. A parent conference may be required at the discretion of the coach.
3. If a decision is made to quit a sport to join another, the athlete must receive written permission from the coach of the sport being dropped. If the coach does not give permission then the athlete

- must wait until the first sport is over before joining the new one.
4. All equipment must be returned.

C. Medical and Permission

Requirements:

1. Yearly physical examination.
2. Acknowledgement of rules and regulations form signed by both parents and students.
3. Parental agreement form. As indicated on this form, parents must respect all coaching decisions (to include play time/strategies).

Each coach shall have the authority, with the concurrence of the Principal and Athletic Director, to suspend or place on probation any student-athlete for a major infraction of the standards of the organization or the school.

Acting upon the recommendation of the coach, or in his/her best judgment, the Athletic Director may suspend or place on probation any student athlete for a major infraction of the standards of the organization or the school.

REMEMBER: Athletic participation at St. Augustine High School is a privilege and not a right extended to those students who abide by the standards, rules and regulations set forth in this handbook, in addition to those verbally stipulated by the coaches and the Athletic Director.

*As required by TAAPS, Texas Association of Private Parochial Schools, the athletic leagues governing body.

Parents are expected to act in an appropriate manner as a fan, exhibiting good sportsmanship regardless of the situation (at home or away). Failure to do so could result in immediate removal from the gym or suspension from

attending other games. (This includes for lack of respect to coaches, school administration.) In extreme cases, law enforcement officials may become involved and/or family/child asked to withdraw from the school.

C. PowerSchool System

PowerSchool, a web-based student information system (SIS), simplifies data-driven decision making by providing real-time information to all stakeholders – over the Internet. Administrators get the most accurate information to make decisions that are more effective. Teachers gain timesaving administrative tools, parents gain immediate access to their children's grades, and students can track their own progress. Usernames and Passwords can be obtained from the PowerSchool administrator.

PowerSchool can be accessed directly at <http://staug.powerschool.com> or by following the PowerSchool links on <http://www.st-augustine.org>.

To report a problem with PowerSchool, send an e-mail to info@st-augustine.org

Parents

Using a web browser, parents simply enter a unique username and password to access information about their children's grades, assignment status, and attendance. Parents who otherwise would not come to school and initiate

discussions with teachers can now get a snapshot of their child's progress at any time right from their home or office computer. Parents can use this information to discuss academic expectations with their children. PowerSchool lets parents become aware of issues as they emerge, instead of just at the end of the semester when it may be too late to make positive changes.

Students

PowerSchool gives students access to assignments and information about their individual progress, students can be more accountable for their own academic success. PowerSchool allows students to track grades.

Technology as a means of Communication with Parents

St. Augustine High School administration and business office will use parents' primary email address and cellphone to send important information and reminders. Please take advantage of this opportunity! Update info with Religion teacher.

St Augustine of Hippo (354-430)

St. Augustine of Hippo, a Christian at 33, a priest at 36, and a bishop at 41. Many people are familiar with the biographical sketch of Augustine of Hippo, sinner turned saint. There quickly surfaces the intensity with which he lived his life, whether his path led away from or towards God. The tears his mother, the instructions of Ambrose and most of all, God himself speaking to him in the Scriptures, redirected Augustine's love of life to a life of love.

Having been so deeply immersed in creature-pride of life in his early days, it is not surprising that Augustine should have turned, with a holy fierceness, against the many demon-thrusts rampant in his day. He providentially fulfilled the office of prophet. Like Jeremiah and other greats, he was hard-pressed, but could not keep quiet.

"I say to myself, I will not mention him,
I will speak in his name no more.
But then it becomes like fire burning in my heart,
imprisoned in my bones:
I grow weary holding it in,
I cannot endure it"
(Jeremiah 20:9)

St Augustine is still acclaimed in our day. He is a prophet for today, trumpeting the need to avoid escapisms and stand face-to-face with personal responsibility and dignity.

Prayer to St. Augustine

Do not weep if you love me! If only you knew the gift of God and what heaven is! If you could hear the angels singing here and see me in their midst! If you could see, unfolding before your eyes the eternal fields and horizons, the new paths where I walk. If for only a moment you could contemplate as I do the Beauty beside which all other beauties grow dim. When you saw me, you loved me in the land of shadows and you would not see me again or love me in the land of immutable realities?

Believe me, when death comes to break the bonds, as she has broken those that held me bound, and, when on a day that God knows and has appointed, your soul will come to heaven where mine has preceded it, you will find your affection purified.

God forbid that, upon entering into a happier life, unfaithful to memories and to the true joys of the other life, I should become less loving. Then you will see me again, transformed in ecstasy and happiness, no longer awaiting death but advancing with you, from moment, into new paths of Light and Life. Dry your tears and, if you love me, weep no more.

3. Prior to the first class day each school year, a parent/guardian of a student, and the student, must both sign a written consent form authorizing drug testing of the student. Students who have reached the age of majority, or their disabilities of minority have been removed, will sign the written consent authorizing drug testing of the student.

Random Drug Testing

4. All students will be required to submit to random drug testing. Random testing may be conducted at any time. Random testing may be conducted as determined by the campus principal or designee. The names of all eligible students will be placed in a computer generated "pool." Random selections from that pool will be conducted by the testing service contracted by the school.

Reasonable Suspicion Testing

5. When a teacher/athletic director/sponsor/coach/campus administrator has a reasonable suspicion that a student is currently using drugs, the student may be required to submit to a test under this policy. "Reasonable suspicion" means a suspicion of drug use based on specific observations made by teacher/athletic director/sponsor/coach/campus administrator of the appearance, speech, or behavior of a student subject to this policy; the reasonable inferences that are drawn from those observations; and/or information of drug use by a student subject to this policy supplied to school officials by other students, staff members, or patrons.
