

**St. Augustine High School
Mathematics Department**

Dear Parent:

I am looking forward towards my first year teaching at St. Augustine High School. I am teaching Algebra I for the 8th grade students. Also, I am a recent graduate from Texas A&M International University with a Bachelor of Business Administration with a concentration in Finance.

I'm excited to have your children in my class. My expectations for year are to make delightful, positive, and enriching experience for my students while I prepare them for their future years in high school.

If you have any question or comments, please feel free to contact me by phone at (956) 724-8131 or by e-mail lynn_williams@st-augustine.org

Sincerely,

Lynn M. Williams
